

Kim Cameron and Side FX's recent release received The Bimbo Jones' dub treatment !

By Alex Cristian -
May 16, 2017

Kim Cameron and Side FX just released "Dancing in the dark"'s version of The Bimbo Jones. The bassline flows gently in a perfect balance with the pure house groove, while the break part comes in a very refreshing way, filled with crazy piano lines, powerful vocals and vocals from the original tune. The track has a really nice and energetic feel to it, featuring a lot of diversity in regards to the choice of sounds, perfect for this summer!
