

# THE JEFF FARIAS SHOW

Live Radio at 11:30am PST on KXXT 1010AM & Live Online at 3:00 PST

at 5 PM [Kim Cameron](#) spent the last decade working up the corporate ladder but there was always something missing in her life. In 2007, a family tragedy led her to re-evaluate her life and goals. So Kim decided to finally break free from the corporate cage and pursue her lifelong passion for music. As the lead singer/songwriter of [Side FX](#), Kim Cameron is finally living her dream as she performs for serving military personnel.

*So what's the next step?* Kim Cameron is now working on inspiring other women to empower themselves and break free from the chains that prevent them from expressing their true selves.
