Miami Dance Pop artist Kim Cameron releases new video for “Broken Heart”

Miami-based and internationally acclaimed, electronic dance/house artist Kim Cameron (aka Side FX) releases her new video, “Broken Heart”, which displays scenes from the aftermath of Hurricane Irma in south Florida and the pain she feels for the people it effected. The song was remixed by NYC-based Kris “Halo” Pierce (aka DJ Halo) who has appeared on on America’s Got Talent and has sound engineered for Cyndi Lauper, James Blunt and Tori Amos. “Broken Heart” is from Kim’s Greatest Hits album, set to release on January 19, 2018.
