Side FX & Kim Cameron deliver a fresh approach to
Christina Aguilera's "Beautiful"!

By Iuliana Prichea -
June 5, 2017

Deep house arrangements remake, from UK's The Bimbo Duo. Using most of the lyrical content from Christina Aguilera's Beautiful, this version offers a fresh approach to the pop song. All the proceeds for this song benefit Guitars Over Guns, a non-profit after-school music program based in Miami and

Chicago, designed for inner city youth. Direct donations are also encouraged [here](#).

Artists on this record include: Stillamess, Chy Tea Shaulin, Moran Levi, Najasism, Mary Ann Van Der Horst, John Depatie, Big Vegg, Chad Bernstein and Kim Cameron. Listen to the track below and let us know what you think!
