[Ms. Cameron](#) has been touring elementary schools and libraries across the country reading her stories and encouraging ocean conservation to children.

“I believe I never really grew up....that is probably why I get along with kids so well. I wanted to create a series that allowed kids to go back to adventure stories while handing them few reasons why our environment and relationship with animals is so important.” -Kim Cameron

“Seaper Powers The Movie Soundtrack” includes 18 tracks that are featured in the upcoming animation film, which is due to be released in the Summer of 2020. The first single, Mr. Octopus, was released in November 2019 and the video was featured on YouTube Kids. The music matches the ocean theme of the book and film with an eclectic mix of reggae beats, calypso, deep house sounds, electro pop, rap, children’s pop and tropical jazzy notes. Musical voices and talent for the music include, Kim Cameron, John DePatie, Kris Pierce, Leo “DaVincci” Mayorga, among others.
