In this show I had the pleasure of speaking with Kim Cameron. Kim talks about some of the things she is presently involved with and future plans. Side FX and Kim Cameron (<http://www.sidefxband.net/>) are a high energy chart- topping dance band whose music is played in 2000+ radio stations across the US.

Kim's most recent release "Lets Fall In Love"(May 2014) is already being played across many major radio markets in the US. Many of her previous singles have placed high on multiple music charts across the US. " Not Into You" was a top 40 mainstream/spotlight track on All Access. The recent premier of the music video ( Not Into You- A Little Bit In Love) via Youtube garnered over a million views in the first week of release!

Kim recently performed the national anthem for the NFL New York Giants vs. Pittsburgh Steelers game on Saturday August 9th, 2014 at Metlife Stadium in East Rutherford US

On Sept 19,2014 at 4pm Kim will appear on CBS's Lincoln Nebraska TV station 10/11 KOLN-KGIN just in time for big red football. She will also be making her debut appearance in Music City for the Nashville Oktoberfest on Oct 11,2014.

Kim also writes children's books.
