Last night was swinging high for XVI Rooftop Retro Wednesday Celebrity Sunset Happy Hour which was hosted by Billboard Top 40 and Dance artist **Kim Cameron** (from Side FX) EP Release party with actor **Keith Collins** & Celebrity Photographer/Legendary Studio 54 DJ **Steve Mack**. The listening party heated up with a bevy of industry insiders including a promotion from **Davidoff of Geneva Cigars**. Joining in from VH1's Mob Wives **Karen Gravano**, Celebrity Photographer **Patrick McMullan**, fitness models **Lynn and Bob Blachman**, **Paparazzi Vodka**, **Jingle Punk's** music guru, Grammy winner **Mallet-man**, TV personality **Inez Cain**, What's Happening in the Hampton's **Siberna Stowe de Fernandez** & Author **Georgina Rose**. The packed party spun Cameron's latest dance charting and YouTube sensation single 'Not into You Function Generation Remix' which had people dancing in their seats. She celebrated releasing her fifth CD under the stars while her feet danced in Stuart Weitzman heels and her white linen frock blew in the wind.
